Harty...

The cottages are situated in the secluded hamlet of Harty, which offers wonderful walks, wildlife watching and is a great environment to relax in. The church is 10 minute stroll away and the pub only 5 minutes.

We really recommend walking from Harty to Shellness beach, following the sign posted trail route. The walk is a round trip and takes approx. 2 hours. The beach pictures below are from boxing day, so as you can see, the beach is worth a visit even during winter.
